
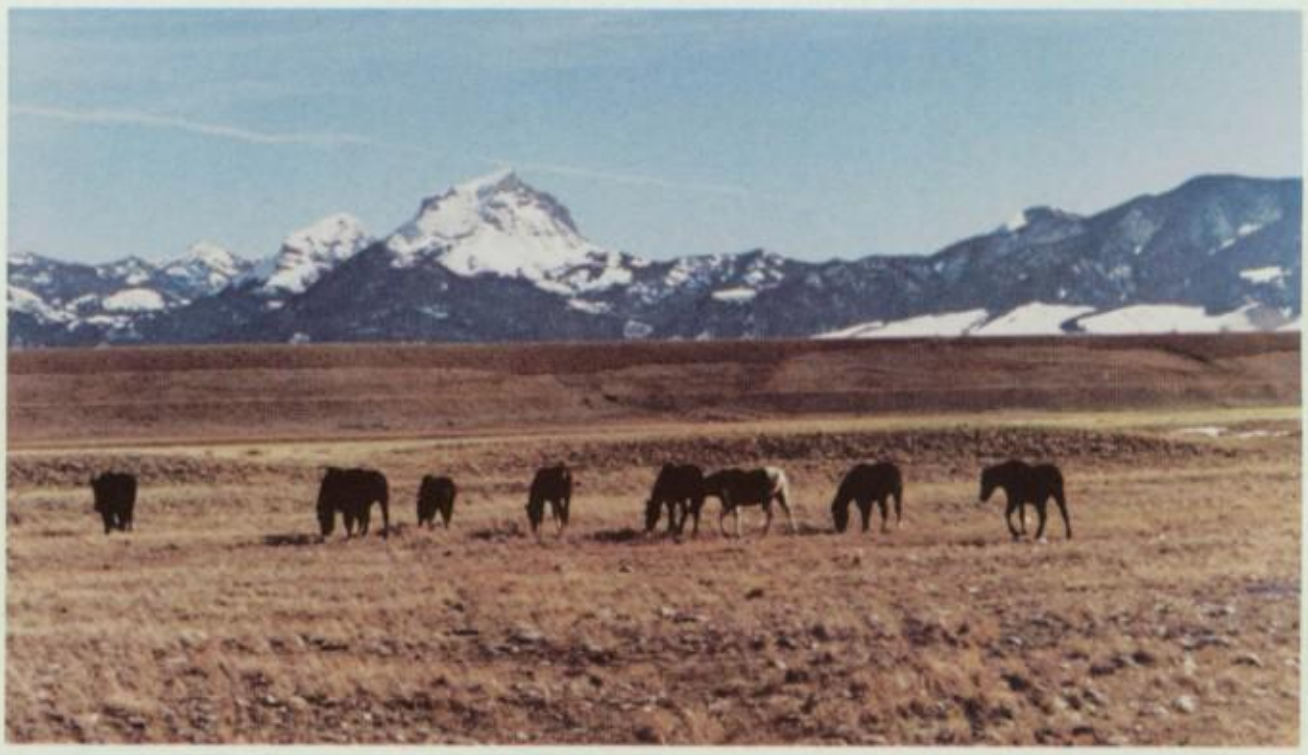
1983-84 MUSTANG
ENNIS HIGH SCHOOL



ENNIS, MONTANA

We dedicate this annual to Clara Bomier. Mrs. Bomier has devoted her time to the Ennis Mustangs for the last 14 years. She has followed every sport and event of the school and has always been behind us.

While they lived in Bozeman, she and her husband, Wallace, followed the Bozeman Holy Rosary basketball team and supported the MSU Rodeo team by helping build and maintain a rodeo arena for practice and excercise.

Last spring the Boys "E" Club made her an Honorary member. She proudly wears her green and white "E".

We greatly appreciate Mrs. Bomier's contribution to the Ennis Mustangs. We hope she will be there for many years to come.

Rob,
Ya an OK dude
with a big mouth. Keep
up with the sports and have
fun in your high school years. When
you learn how to draw let me know.

Friends forever,

D L E

R & B, (the most valuable bowler,
basketball player and long
distance runner)
Ya a guy who likes to live
underground, I think your a
pretty cool dude. I hope to
see you playing BBall
against Moses or Kareem, Or
maybe on the Pro Bowlers
Tour, or still maybe running
against Sebastian Coe for
the Gold metel in the mile-
run. Yaill probably
retire in beverly hills, cruising
around in your RR (Rolls royce)
and married to Heather Thomas.
If you ever are that lucky

SEASON RECORD 9-2

As the 1983 football season approached, the big question in everyone's mind was: Having won the State Championship in "82", will the "83" Mustangs have a hard time mentally preparing to defend that championship? It was evident from the start of practice that this wouldn't be a problem. The "83" Mustangs were determined to be the first to win two State Championships, although it didn't come to be.

The regular season progressed about as expected. As each game came and went, the team got better. It took a loss to White Sulphur to really bring the players together as a total unit. From this point on they approached the games with a new determination. That determination was to get to the State Championship and avenge the loss to White Sulphur. As the playoffs approached they had worked hard and prepared themselves well. They played their best football and almost reached their goal. White Sulphur got beat and Ennis ended up State Runners-Up.

The things that impressed me most about this ball club were their intense dedication to the program, their ability to play harder and pick up the slack when players were hurt or quit. Also their willingness to work hard and to improve themselves from day to day.

Success can never be achieved without unselfish teamwork. Many played in positions that they didn't particularly like but they played their best and were justly rewarded.

To the Mustangs of "83" I can only say you are truly Champions. You can be very proud of yourselves both off and on the field. The record you leave is unsurpassed in any classification of football in the state. I am very proud of your accomplishments and the way you conducted yourselves while achieving them. It was a real pleasure to have been a part of your success. Down the road you will look back on these as some of the most memorable years of your life.

GIRL'S BASKETBALL

Left to Right—Back Row: Coach Joan Schilling, Stacey Skank, Angie Sparks, Ginger Stoltz, Barbara Kennedy, Tina Crist, Debbie Cleverley, Katrinka Gallentine, Asst. Coach Jim Hart. Front Row: Leann Davies, Heather Petersen, Co-Capt. Chris Willett, Molly Merica, Co-Capt. Teresa Bullock.

"Although our win-loss record did not look as good as it has in past years, I believe our success can be measured in other areas. Many of the girls showed that when the going was tough, they were able to hang in and make the best of a hard situation. Leadership roles were assumed by girls in key positions and a special effort was made by many to keep a togetherness within the team. The dedication, pride and loyalty that I saw in these girls made me very proud and optimistic about next year."

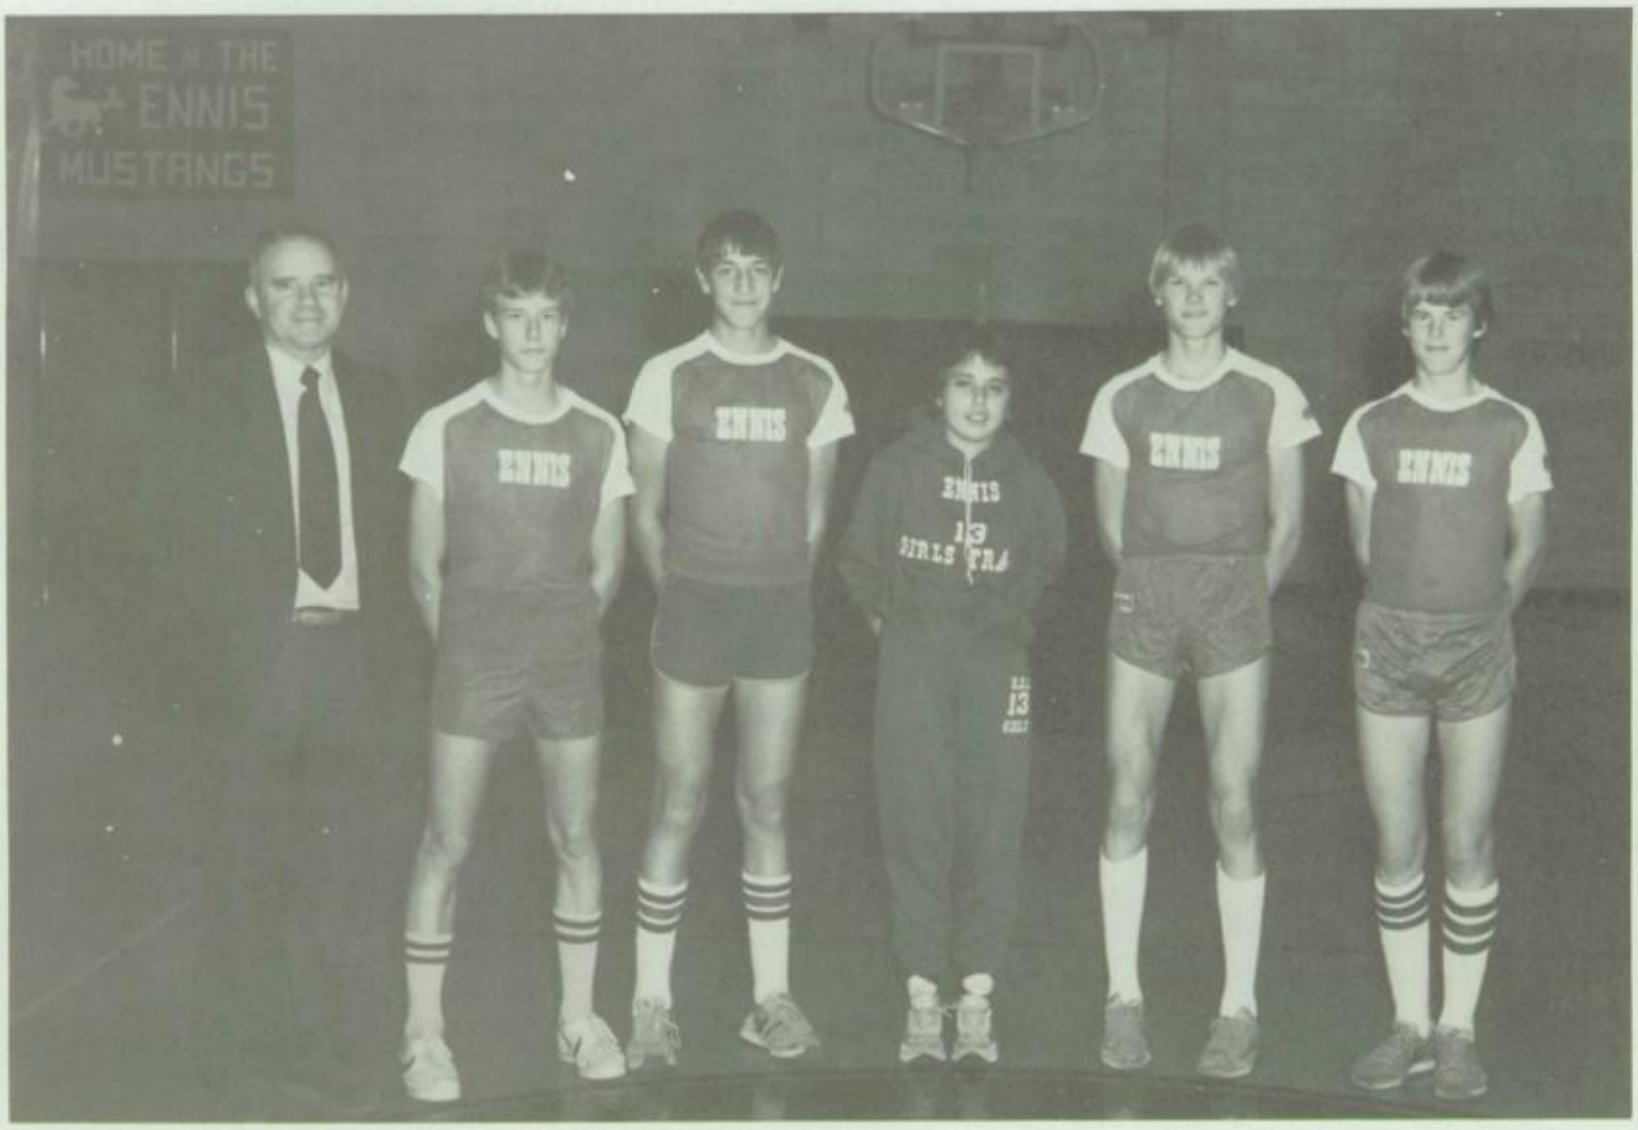
CROSS COUNTRY



Left to Right— Mr. Warwick, Coach; Tim Mize, Rob Sheffield, Kim Foreman, Chris Schellhase, Ben Stewart

The Cross Country runners had a good year with the runners consistantly improving their times throughout the season. Except for Tim Mize, who will be graduating all other runners will be returning and I would expect the cross country runners to have one of their finest seasons ever in '84. Students involved in this year's program were Tim Mize, Chris Schellhase, Ben Stewart, Rob Sheffield, and Kim Foreman.

Rob,

It has been a real pleasure teaching and coaching you these past two years. You are one of the hardest working, most determined workers I have ever coached. Therein ties the secret of your success. Keep up that determination and attitude! You are one of my regrets for leaving ol' EHS. I'd love to coach you one more year. I wish you the best of luck. Put your head to your studies — that's what will help you down the line. I'm looking forward to going to camps with you this summer. I'll be thinking of you often!

Best wishes —

Some time back a pep club poster hung in the gym which read "endeavor to persevere". I remember that poster as I reflect on the 1983-84 basketball team. No team that I've coached has overcome as much in order to enjoy the late season success that this team did. It is certainly a tribute to their character and their will to "endeavor to persevere".

. . . This was a team which was beset with an early season lack of success from which few other teams could have recovered. Despite a string of losses, each member continued to believe in himself and his teammates and never lost faith in what they knew they could accomplish. It would have been easy to quit and teams of lesser character would have folded. Yet these young men never lost heart or confidence in their abilities. They continued to mature, gain confidence and believe in one another.

. . . This was a team that refused to believe they were ever out-matched no matter how the odds were against them. They believed in themselves, when few others did, to steadily improve and play their best basketball at the most opportune time. Some people called their victories at District and Divisional "upsets"; these young men knew they could do it all the time.

. . . This was a team that prospered from outstanding leadership and a willing desire to be the best they could be. They advanced to Divisional for the third straight year and placed 4th; the third best finish in 27 years.

. . . This was a team which achieved success—that peace of mind that comes with knowing you did your best.

. . . This was a team which "endeavored to persevere" and a team which I will always have the utmost respect for.

WRESTLING

Left to Right: Mr. Bodine, J. Normand, L. Sprout, D. Bodine, P. Woods, A. Taylor, R. Bodine.

Beginning with only one returning letterman, Doug Bodine, the team was definitely short in numbers but not in spirit, as 4 of the 7 man team advanced to the State Tournament in Butte. This was a considerable increase over last year's one entry. Doug Bodine, Ron Bodine, Lance Sprout and Adam Taylor all made the trip this year.

Doug ended his two year career with a 54 win, 11 loss, 29 pin record. He was expected to be one of the 138 lb. wrestlers to place high in the State Tournament, but after winning his first match 14-3, Doug dislocated his shoulder in a quarter-final match which he was winning 5-4. Doug was forced to default out of the tournament, while his opponent wrestled in the championship match.

First year wrestler, Adam Taylor, pinned all but one of his opponents and led the team with 15 pins. James Normand's high point of the season was placing 3rd in the Ennis Lions Tourney. Paul Woods, who wrestled opponents much heavier than he, failed to place in the win column. Hal Reichart's inexperience also proved a decisive factor in his win/loss record.

With 10 to 12 boys showing interest in next year's program, prospects look much brighter for the future. With much needed additional support, the outlook for a tough Class "B" schedule should be good!
